

# RODE KITS

## ► Double Braid Rope/Chain Combination

New high quality Double Braided, 24 plait, space saving rope/chain combination. The beaded inner core is specially designed to keep the round shape of the rope and provides a better grip to avoid any slippage in the gypsy. Spliced with Anchorlift's original hot dip galvanized HT chain or Stainless Steel HT chain. New soft compact splice between rope and chain that makes this Rode Kit your best choice for trouble free operation in any windlass! Available in 4 different sizes and lengths. Made with nylon rope, ready to use. 5 year Limited Warranty on Splice only which is an industry first!

### 24 Plait Double Braid Rope/Chain Combination With Hot Dip Galvanized Chain
